TIMBERON WATER & SANITATION DISTRICT

FIRST RULE NO. 11
Cancelling Original Rule No. 11

INTERUPTION OF SERVIICE:

Page 1 of 1

A. The District agrees to use reasonable diligence in rendering continuous service and in furnishing a regular and uninterrupted supply of water, but the District does not guarantee uninterrupted service and supply and shall not be liable for damages in case such supply should be interrupted or fail by reason of an act of God, the public enemy, accidents, strikes, legal process, state, county or municipal interferences, breakdowns or damage to the machinery or supply, processing and distribution or any cause beyond the control of the District. X

B. The District reserves the right to discontinue water distribution service for the purpose of making connections or extensions, repairs, emergencies, or in connection with its business and will not be liable for damages occasioned by interruption of, or reduction in, service when such interruptions or reductions are necessary to make repairs or changes in the Districts transmission or distribution facilities. The District will endeavor to give reasonable notice in advance of any planned shutoff.
